Re: Underground Injection Control Permit No. 06S1261P6302  
Authorization to Inject  
Osage County, Oklahoma

Dear Mr. Woods:

Enclosed is the Authorization to Inject into West Dalton #1 well. This Authorization is issued under the authority of the Safe Drinking Water Act and the Osage Underground Injection Control (UIC) program regulations [40 CFR Section 147.2920]. The pressure test completed on this well on October 17, 2011, showed that the well has mechanical integrity as required by the referenced permit and any modifications.

If you have any questions, please contact Ms. Dorothy Brown at (214) 665-8141.

Sincerely yours,

William K. Honker, P.E.  
Director  
Water Quality Protection Division

Authorization to Inject

Jireh Resources, L.L.C. is hereby authorized to begin injection and operate West Dalton #1 well, located at 400' FNL, 330' FWL, SE/4, Sec. 11, T 24N, R 07E, as a Class II injection well. The permittee is authorized to inject salt water for disposal.

Conversion of the well identified herein was authorized by Permit No. 06S1261P6302, dated April 17, 2014. This Authorization to Inject is hereby made a part of the referenced permit.

All requirements and conditions prescribed under Permit No. 06S1261P6302 and any modifications apply and remain in full force and effect during the effective period of this permit. This authorization is effective from the date entered below and shall remain in effect unless terminated.

2014.
